"I'm sorry, you can't play, the table is full!"

You must play this card as soon as a new Game card is played, before any die is rolled for its resolution.

Choose an opponent: that player can't participate in the current Game.

I'm going to play alone this one!

"No, the game is mine and I decide who's gonna play it!"

You may use this card during you turn, as soon as you play a Game card.

Opponents can't participate in this game.

I'm going to play alone this one!

"No, the game is mine and I decide who's gonna play it!"

You may use this card during you turn, as soon as you play a Game card.

Opponents can't participate in this game.

Enough of these hexagons!

"Hexes, counters, tables, stop it! I can't stand boardgames no more!"

When you play this card, choose an opponent and put it in play in front of him.

As long as a player has this card in play, he can't play Games and Items belonging to the **Boardgame** category.

That player also cannot participate in Games belonging to this category even if played by opponents.

Kill that Master!

"37-sided dice, tons of manuals, books and rules, Lambo updating the rulebook every two days... it's enough, I want to forget roleplaying!"

When you play this card, choose an opponent and put it in play in front of him.

As long as a player has this card in play, he can't play Games and Items belonging to the **RPG** category.

That player also cannot participate in Games belonging to this category even if played by opponents.

Stop playing cards!

"A new expansion is available? The last one was released only a week ago and I'm still looking for rares!! I can't keep on buying cards ..."

When you play this card, choose an opponent and put it in play in front of him.

As long as a player has this card in play, he can't play Games and Items belonging to the **Card** category.

That player also cannot participate in Games belonging to this category even if played by opponents.

Enough of those puppets!

"I spent two whole months painting my army, hundreds of brushes and gallons of paints... and you say that there was a mistake on the codex!?"

When you play this card, choose an opponent and put it in play in front of him.

As long as a player has this card in play, he can't play Games and Items belonging to the **3D** category.

That player also cannot participate in Games belonging to this category even if played by opponents.

No more credit!

"Ehm... I'm afraid I have no money left, and I also have some debts!"

When you play this card, choose an opponent and place it in play in front of him.

As long as a player has this card in play, he can't play Item cards during his turn. However, he can keep any Item he already owns, and he also may acquire new Items because of Special cards.
